## Easter Greetings from the Board Chair

Христос Воскрес! Воістину Воскрес!  
Christ is Risen! Indeed, He is Risen!

Above all others, the celebration of Easter is the Feast of Feasts. On behalf of the Board of Directors, staff and residents, I am privileged to bring Easter greetings to the Hierarchs, Chancellor, Clergy and members of the Ukrainian Orthodox Church of Canada, and to our members, alumni, friends and supporters of St. Petro Mohyla Institute (SPMI).

З відчуттям глибокої радості і від щирого серця вітаємо вас з Воскресінням Христовим, з Пасхою Христовою, і нехай царюють у ваших серцях радість і душевний спокій! Нехай до Вашої оселі прийде здоров'я, любов, щастя, добробут, душа нехай світлішою стає, серце пламеніє любов'ю, а помисли стануть щирими та добрими.

As we celebrate Easter with its promise of new life and living in a peaceful world, let us keep in our prayers and offer our moral and financial support to help Ukraine defeat the evil, revolting regime of Putin. Let us stand strong against evil. Let us stand strong for Ukraine.

In keeping with the theme of renewal, and building on our strengths and traditions over the past 107 years, we need to act on the pivotal opportunity to develop forward looking plans for SPMI. We need to focus on new growth opportunities, for new ways and means to facilitate and ensure SPMI's versatility and viability well into the future. Toward this end, a number of priority areas were identified in SPMI's last strategic plan, one of them being to develop comprehensive renovation or rebuild plans. The current facility is 58 years old. It is functionally dated. The Institute is in need of replacement with a new facility.

The key to SPMI's future success is by getting things right, by innovating and developing new capabilities to better meet contemporary and emerging future needs. We know that the status quo is not an option. It's our opportunity and it's our responsibility to help SPMI reinvent itself. So, what shall we make of this opportunity? In response, I wish to say that SPMI's Board of Directors and its Executive Director have done a lot of homework over the past few years leading up to the development of a Conceptual Plan for the Institute.

The inaugural presentation of Conceptual Plan was made at the triennial USRL Convention in Edmonton on August 13, 2022. The comments from the audience were supportive and encouraging. The Conceptual Plan was presented for the second time to its members, supporters and interested guests via Zoom on March 9, 2023, then voted on at the AGM of SPMI on March 16. Overall, the comments were supportive and encouraging. Much work remains to be done to transition the conceptual plan to a fully detailed business plan which, when completed, will be presented to SPMI members for a vote. You may request to see the Conceptual Plan by sending an email to [info@mohylainstitute.ca](mailto:info@mohylainstitute.ca).

It was Machiavelli who said, There is nothing more difficult to take in hand, more perilous to conduct, or more uncertain in its success, than to take the lead in the introduction of a new order of things. It is time to reinvent our Mohyla toward renewed and sustainable growth and purpose. What is possible is up to us. We are at a pivotal time. Mahatma Gandhi is credited with the quote, You may never know what results come from your actions, but if you do nothing there will be no result. Much work remains to be done. Let us work together with common purpose in support of SPMI.

May the wonder of Christ's Resurrection bring you good health, peace and contentment during this great feast and throughout the year.

Бажаю Всім Вам радісного відсвяткування Велекодних Свят та всякого благополуччя через цієї весни і на многих, многих літ! Христос Воскрес!"

Sincerely with Christian and fraternal greetings,

# Paschal Greetings 2023

Celebrated on the first Sunday after the spring equinox after the Passover.  
Христос Воскрес! Воистину Воскрес! Christ is Risen! Indeed He is Risen!

It is with great joy that we greet you during this Holiest of Holies Feast, the glorious Resurrection of our Lord and Savior Jesus Christ.

У цей радісний і святий день, ми сердечно вітаємо вас від усієї душі з великим св'ятим Світлого Христового Воскресення.

**Christ is risen from the dead, trampling down death by death, and to those in the tombs bestowing life! Христос воскрес із мертвих, смертю смерть подолав, і тим що в гробах, життя дарував!**

On behalf of our Ukrainian Orthodox Cathedral in Saskatoon, and my family, may the Resurrected Christ bless our souls, our hearts, our minds, that we always continue to grow in our faith, and dedicate our lives to God and His Church.

Молимоь Господеві поблагословити вас із щастям, здоров'я, миру, любові, і многая і благая літа!

# St. Petro Mohyla Institute Conceptual Plan

As detailed in the Board Chair Greetings on page two, we have been working on a new Conceptual Plan for Mohyla Institute. Respecting and building on our history (1916-2023) while innovating for a new generation: How can an innovative business model be developed with key stakeholder support for Mohyla Institute to better serve the Ukrainian community? Our answer: Develop a multi-generational Ukrainian centre. Senior and student housing incorporating daycare/preschool, office, meeting, and performance spaces along with a grocery/convenience store and restaurant/pub (the latter two dependent on location need).

At the Annual General Meeting on March 16, 2023, proceeding forward with the SPMI Conceptual Plan was voted on. This motion passed and the next steps are to create a business plan with architectural renderings and economic modelling. We will be putting together an RFP in order to hire a specialized firm to do so. Once that process is complete, the conceptual plan will be transitioned to a full business plan which will then be presented to the membership for a vote.

## Advisory Committee Opportunity

The vote at this year's AGM to proceed with engaging a firm to explore this conceptual plan was a great step forward. We are now looking to fill roles on an advisory committee specific to this project. If you believe you have the skillset to sit on this committee, we want to hear from you! Please reach out with your resume to [info@mohylainstitute.ca](mailto:info@mohylainstitute.ca). We are excited to continue moving forward with this project!
